Member benefits 10 great reasons to join

- Maximize the prospects of successfully relocating your employees to Switzerland by improving their integration into the local environment. Attract the best brains and make them stay.
- Improve your integration within the existing economic network and create new synergies with local companies
- Take advantage of a centralized information platform tailored to the needs of international companies and expats
- Offer your newly arrived expats and their spouses opportunities to attend workshops and events which ease their transition to Swiss life and help them build a local professional and personal network
- Enjoy access to a network of quality partners and service providers – while International Link serves as the main point of contact
- Benefit from group contracts on services offered by our partners

- Attend specialized half-day seminars in English on professional issues, such as intercultural management, employment law, and more
- Meet with other international entities to discuss common problems and formulate lobbying plans
- Exchange ideas and experiences with colleagues from different companies on key topics within the professional fields of Marketing, Finance, Accounting, Law, and more
- Save time, costs, and resources by allowing International Link to take care of your HR and expat-support needs
